## Winter Skin Dry/Dehydrated

This treatment is suitable for all clients that need to calm skin that is dry and aggravated. The treatment will remove dry flaky skin while strengthening the skin, reducing redness and improving barrier function.

### Treatment Protocol

1. **Soothing Eye Make up Remover.** Apply a small amount of make remover and thoroughly remove all eye and lip product.
2. **Ultra Soothing Cleanser.** (Only double cleanse if required, avoid over stimulating)
3. **Bamboo Scrub.** Apply a small amount to the skin and gently massage over skin. Apply Ultra Soothing cleanser so the bamboo scrub for maximum benefits.
4. **Hyaluronic Acid.** Apply 2 pumps of Serum evenly to the skin.
5. **Soothing Toner.** Spritz lightly and gently massage hyaluronic and toner into skin until 100% dry. OR **Regenerative Serum.** (f you wish to use **Regenerative Serum.** Apply regenerative serum to face, then your Aromatic Treatment Serum and continue with your massage)
6. **Aromatic Treatment Serum #1-5.** Apply 2 pumps of Aromatic Treatment serum. Spread evenly, followed by Lymphatic drainage.
7. **Delicate Massage Oil.** Apply delicate massage oil and proceed with a European Massage. Focusing more on the neck and shoulders.
8. **Bio Mask** or **Colloidal Oatmeal Mask** with Steam. In a bowl mix Oatmeal, water and activator. Mix until you have a smooth consistency. Generously spritz facial gauze with Hydrosol of choice and apply to face. Apply Oatmeal Mask over entire face and neck. Leaving the mouth and eye area open. Steam mask for 15 minutes.
- Bio Mask**– To use the mask, empty the powder into a small bowl, and mix in 90-100ml of liquid. Stir quickly until the mixture is smooth; apply to face and neck.
9. Remove mask. Gather all corners of the gauze and create a ball. Massage the face with the ball that has been created.
10. **Eye Complex.** Apply the eye complex with your ring finger, around the entire eye.
11. Apply Aromatic Treatment Serum, **Hyaluronic acid, Spritz with Toner, (massage in) Solar Shield, (Climate Control/USA) or Ultra Rich Moisturizer.**
